HISTORY

Contrary to the origins of most independent schools, Monson Academy owes its founding to the cooperative efforts of many people and not a mere single individual.

It was the Reverend John Willard, who joined with others in arousing public interest to the point of obtaining a state charter for the school's founding. This charter was passed in 1804 and was followed by the first Academy building which was opened in 1806.

The first Headmaster, Simeon Colton, who left after his first year in 1807, returned in 1821 and remained for nine years. This was Monson's beginning as a truly outstanding school.

In 1835, Charles Hammond, entered the now growing New England Academy and returned in 1839 to serve twenty-four years as principal.

The physical plant of the school increased with the student body. The first dormitory was constructed, in 1819, near the present site of Cushman Hall, and five years later the first laboratory was erected. The site of this old laboratory, one of the first in the country, is now occupied by the Holmes Gymnasium. In 1845, Dr. Hammond had the entire school renovated and modernized.

The Civil War caused a temporary closing of the Academy in 1862, but it reopened the following year after two additional wings had been added to the old building. A disastrous fire in 1886 completely destroyed the old Academy Hall.

Later in the year 1886, a more substantial granite and brick building was erected. The Holmes Gymnasium was constructed in 1900 and four years later, Cushman Hall. An older dormitory, Hammond Hall, was at the same time torn down to make room for a Headmaster's residence, Hammond Place. Cushman Memorial Field was given in 1911 by Edward C. Cushman.

At the termination of the First World War the town of Monson erected a separate high school. The Academy was again temporarily closed in 1923, while arrangements were made to revert to the status of a century before. During the next two years the trustees granted the use of the Academy buildings to the town for use as a high school. Monson Academy was proudly reopened, in 1926, as a preparatory school for boys, under the new Headmaster, Mr. Bertram A. Strohmeier. At this time an additional dormitory, Morris House, was deeded to the Academy. Mr. Strohmeier was succeeded in 1935 by Dr. George E. Rogers.

In 1947 the Academy acquired two additional buildings, Chapin House and Holmbrook. The Academy constructed the new Cushman Memorial Field, in 1948, which replaced the old field destroyed in the 1938 hurricane.

On February 23, 1953 a disastrous fire swept Academy Hall. Plans were immediately formulated to replace Academy Hall. It was decided that the new location would be at the top of the hill on High Street. The new, modern Academy building, called Alumni Hall was officially dedicated on the occasion of the school's sesquicentennial celebration on October 9, 1954.

The Board of Trustees purchased the large house and property just north of Alumni Hall, in 1956, for use as the Headmasters residence. Hammond Place was then converted into a dormitory.

Four new tennis courts were constructed behind Holmbrook in the spring of 1962. In the fall of that year, the Harper Gymnasium was completed.

In the autumn of 1963, an addition to the rear of Alumni Hall was ready for use. This addition was made possible through the generous gift of Mr. and Mrs. Earl T. Harper. The new wing consists of four classrooms, one of which is an excellent foreign language laboratory, and a faculty lounge. The dedication of the addition took place on October 5, 1963.

In 1965 the Alumni proposed the construction of a new library addition to Alumni Hall; ground breaking occurred in the spring of 1966. The new library will have a capacity of 10,000 volumes and a reading room which will accommodate 36 students.

On November 4, 1965 Dr. Rogers announced his retirement as Headmaster after 31 years of faithful service to Monson Academy. The appointment of Mr. Arthur F. Tuttle, Jr. of DeLand, Florida was announced in March of 1966.

Monson Academy has built up prestige that has carried it through the years and will lead it to the future. Adversity and misfortune have been challenged and overcome. A new Academy Hall has emerged from ashes, and a new proposed library will become a reality. Whatever distinction Monson Academy may achieve in the future will be due in large degree to the complete selfless efforts of the departing Headmaster, Dr. George E. Rogers.

Address to Senior Class

The future offers us a great many opportunities, especially for the members of the class of nineteen sixty-six. Almost all of us have been accepted to college and will be faced with new and more complex responsibilities. Success, of course, is our ultimate goal. With the preparation that Monson Academy has given us, we should be able to face the future squarely and make strides of advancement into it that will reflect well upon us and our school.

VARSITY FOOTBALL

Coach Cardone with Co-captains, Regan and Casey.

Monson's 1965 varsity football team may be termed very successful. The players put everything they had into each game, and as a result the squad produced the first winning pigskin team at Monson in six years. The entire team contributed to the cause, and although the backs received most of the headlines, the linemen played an equal part in the team's success.

During the first four encounters, the team kept an undefeated record intact. Up to this time, the defense had allowed only twenty points to be scored on them, while Monson ball handlers registered seventy-two points. Although the final two games were lost by slim margins, everyone played well enough to deserve wins. Throughout the season, Monson displayed fine sportsmanship and untiring zeal.

Aris Allen, Tackle

Jim Stowell, End

In individual circles, Ron Trask dominated the statistics by rolling up 1,018 yards of total offense and averaging 7.6 yards per carry on the ground. He also led the defensive core with his rugged all around play and his consistent tackling which were very valuable to the team. Bill Casey and Dave Regan played outstanding football on offense and defense and helped build team morale. Greg McKinstry proved to be a capable pass receiver by leading the team in that department. The quarterback, John Dunn, proved invaluable in leading the Monson attack. Among the many names that can be mentioned as standout linemen are Aris Allen, Jim Stowell, Steve Weiss, Doug Haley, Larry Trousdale, Dan Frechette, Wayne Morse, Tom Buxton, and Larry Saunders.

The varsity soccer team, led by Coach Harrell, had a successful season. With Stew Macmillan and Jay Goodley scoring the goals, the team registered many exciting wins including an Alumni Day triumph over Windsor Mountain and a hard-fought 1-0 victory over Lawrence.

Playing well for the team throughout the year were Pat Gilhuly, Skip Stowe, Howie Neff, Mike Bass, and Bill Tobler. Co-captains, Lavoisier Tubman and Tony Pikul, also contributed a great deal to the spirit of the squad.

Monson players show aggression.

Under a new first year coach, the Monson Academy basketball team continued its recent trend of solid, winning teams. Led by co-captains Bill Casey and Pat Gilhuly, and junior Tim O'Reilly, the squad won eleven games and lost only four. In the fifteen game season, Casey led all scorers with a total of 301 points highlighted by a 44 point splurge at the hands of Windsor Mountain. Under the watchful eye of Mr. Ellithorpe, a six man starting lineup was originated with fifth and sixth alternating. Rebounds were very numerous with O'Reilly hauling down the bulk of them. Though the team was outsized on different occasions, the jumping ability of Gil and Toole and the height of Wayne Morse paid rich dividends. With Ron Trask playing in most of the contests and the solid background of O'Reilly, the team has a fine start in preparation for next year. However, help is needed in order to complete another successful season.

Fine balance was the key to success for the team this year. With the three top scorers in Casey at 20.1 points per game, Gilhuly at 17.5 and O'Reilly at 13.2, the group proved hard to beat. Mr. Ellithorpe will bow out a definite winner although he was the head man for only the past season. The best of luck to him next year.

The varsity wrestlers had one of their best seasons this year and fortunately most of them are returning in the fall. Among those returning are Tony Pikul and Lonnie Allen who received gold medals in the wrestling tourney, John Geoffrion and Craig Auchter who won bronze medals, plus many other experienced wrestlers. Aris Allen, Marty Pehl, and Woody Woodward are the only wrestlers who are leaving the team.

This year the varsity team pulled a surprise victory over Lawrence Academy which was one of the highlights of the season. Monson also came the closest ever to defeating the Wilbraham team but lost by only a few points. The team worked very hard this year receiving a third place standing in the tourney and plans to do even better next year.

VARSITY BASEBALL

In a season highlighted by many outstanding individual and team performances, Mr. Harrell's varsity baseball team won six of its ten games. The pitching staff, composed of Bill Casey, Pat Gilhuly, and Tim O'Reilly, proved to be the team's biggest asset, as all three displayed excellent form. Ron Trask, Dan Frechette, and Rick Hiler, batting in the high 300's, led the team in that department along with John Dunn, Bill Tobler, and Tony Pikul. Two competent second-basemen, Dave Dolinsky and Joe Borlikowski added depth to the team.

The squad worked hard and came up with a respectable record for its efforts. Some of the more competent players will undoubtedly play college baseball.

In a 4 and 5 season against a strong opposition, Monson's lacrosse team showed fine team spirit and drive. After the first game, the team began to take shape with a strong defense headed by Aris Allen, Steve Weiss, and Dave Woodward. The midfield had to build itself into a formidable force and managed to do so with Mike Symmonds, Tom Buxton, and Mike Bass as outstanding players. "Snake" Saunders and Nick Alemany proved their meetle as goalies making excellent saves in many a game. The season was characterized by hard work meriting its due rewards.

Although the tennis team did not have a winning record, the members showed great promise throughout the season. Seniors, Pat Nichols, Howie Neff, and John Burns, and underclassmen, Jay Goodley and Joe Goldys, played very well during the season. Alex Kirk and Dave Bestor should help the team greatly in future seasons.

Undoubtedly the best match of the season was against Cheshire, where Monson won 6-3. In this contest, all three doubles teams were rewarded for their hard work with wins.

VARSITY GOLF

Lembo; Katz; Moran; Roller; Aldrich; Coach, Mr. Robinson; (Absent) Stowell.

When four of the six members of last year's team graduated, it seemed as though this season would be one of complete rebuilding.

However, one of last season's outstanding players, Jack Aldrich, a sophomore, was elected co-captain and provided a nucleus around which the new team was formed. His co-captain, Ed Lembo, showed a great deal of improvement and provided strength to the middle of the playing order. Two boys who came to the school this year showed promise for the team's future success: Eric Roller, the number two man who caused many to raise their eyebrows in envy of his apparently easy form; and Frank Katz, who more than once won through sheer clam consistency. The two other members of the team, Jim Stowell and Danny Moran, also contributed toward a season which was, if not entirely victorious, at least not unsuccessful.
